TANACROSS

IT'S ON Yes fans the races will happen.

Tanacross will be held again this year on the last weekend in may.

Since this is a holiday weekend the racing will cover three (3) full days. Saturday May 29, Sunday May 30, and Monday May 31.

Feel free to come up Friday evening, but remember we are on state land and the track and runways are closed to all traffic.

Tanacross is our traditional "SUMMER RACE". There will be activities for all. Wheel-to-Wheel high speed racing for the crazies---A high speed AUTOCROSS for the not so crazy---and a motorcycle "English Observed Trials" for the bike freaks. All of these events, or any one of them, are put on by the Alaska Sports Car Club and are open to everyone.

Tanacross is located about 12 miles from TOK. Just turn left at the TOK four corners and right about 12 miles later at the enterance to the B.L.M. airport. Follow the dirt road around the runway to the riverturn and follow the signs to the camping area. Please do not drive across the runway or parking pads, they are for aircraft only.

Camping is a way of life at tanacross, and one of the few things in this state that are free.

If you wish to compete in any or all of these events there will be a small charge.

Wheel-to-Wheel events	\$25.00 per entrant
Autocross	5.00 per entrant
Motorcycle Trials	2.00 per entrant

TECH INSPECTION for cars competing in the wheel-to-wheel races will be held Friday May 21 at 7p.m. at TERRY'S PARTS AND SUPPLIES. Late Tech Inspection by appointment only and a 5.00 charge will be added to your entry fee.
