Readying for Rondy !!!

The official word from the Race Chairman, Wally Hopkins, is GO GO GO!! The final approvals needed from the Municipal and State officials are coming in this week.

The field of cars is growing as the week passes. Improved Touring drivers are scurrying to get their cars put together for Rondy. They will be out at Island Lodge this weekend (Feb 1st) to hone their driving skills and autos in the last official ice racing weekend before the BIG EVENT !!

Dwight and Barbara Bowden will be holding a ground school for the Improved Touring drivers. This will be a mandatory school for the Improved Touring, but is coming highly recommended for all Rondy drivers. The school will be held Tuesday February 3rd, at ERA Bowden Company Realtors office. The office is located between the Cattle Company and Houlihans, on the C Street side of the Business Park. The school will begin at 7:00pm. Please RSVP to Dwight, Barbara, or Terry at 562-4316.

Barbara Bowden will be handling the sale of Banquet Tickets for the Grand Prix. If you wish to attend the buffet dinner after the races on Sunday evening, tickets will be sold for \$20.00. Please get ahold of Barbara at the Drivers School, one of the first tech inspections, as soon as possible. Two banquet tickets will be included with each entry fee in the Classed Cars. We need to know the total number of banquet tickets needed to advise the Anchorage Intl Inn.

The Dimond Center will be the host of the Car Show. Please contact Ron Starheim if you wish to display your car on the 7th and 8th of Feb. Ron's number is 563-0848.

The posters have gone to press and on the 2nd of February, the program will be on it's way. Posters should be at the February 11th meeting.

Dennis Aase, Guest Driver, Injured at Riverside

Many of you may remember Dennis Aase, our guest driver at the 1986 Rondy Grand Prix. Dennis met with an unfortunate accident at Riverside two weeks ago. He was testing a Toyota GTP Prototype and crashed into the wall at 160mph. He underwent a seven hour surgery to repair the injuries he received to his legs, and is home recuperating at this time.

RALLY RALLY RALLY RALLY RALLY RALLY RALLY RALLY RALLY RALLY

I will be holding a Rally School and a Rallymaster School during April. After one of our winter rallies last fall, we had a sign-up sheet for anyone interested in attending one of the schools. If you are interested and do not find your name listed, please contact me at 562-4035.

Dick Folz, Frank Ciccone, and I are putting together a two day rally to be held one of the first two weekends in May. Entrants lodging in Kenai will be included in the entry fee. It was decided that the weather should not hamper us through the pass at this time, and that we should beat the the fisherman rushing to the penninsula.

Pre-Registration for the event will begin when we have announced the entry fee. We will have a minimum pre-registration requirement by April 1st. If we don't meet the minimum, we may choose to cancel the event.

So, if you, or your friends, are interested in rallying this summer and wish to start off the season with a refresher course in rallying, plan on attending the school. If they wish to be included on the mailing list, drop me a line.....Cheryl
