

SPRING TANACROSS '95 Update

May 27 - 29

Henry Hedberg - Race Chair

Technical Inspection: Tuesday May 23 @ Euro Car Service 7100 Homer, corner of 71st off the frontage road between Dowling & 76th St., 7PM to 8:30PM.

Technical inspection is mandatory for this race. If you can not attend, you may have your vehicle inspected by a professional mechanics shop that holds a valid Alaska Business license and is familiar with race car construction. Contact Bryan Doughty, Technical Committee Chairperson, @ 349 - 1122 for copies of the Technical Inspection form and approval of the inspecting party. The only other option is to pay \$50.00 to the Technical Inspector at the race track. There is no guarantee that an inspector will be willing to inspect your vehicle at the track.

Vehicle Transport: Thursday May 25 @ Alaska Vehicle Transport 4651 Gambell before closing time.

If you want to put your vehicle on the transporter, the cost is \$125.00. Contact "Super" Dave Cechowski @ 243 - 8607 to reserve your spot. The fee is due before you put your car on the trailer. It is O.K. to load your vehicle up with spare tires, supplies, and equipment. A limited number of spots are available, act now.

Race Weekend: Saturday May 27 & Sunday May 28 @ Tanacross, Alaska Airport 10 miles east of Tok (turn right at Wasilla).

We will be running the short course, and we may run a race or two on the long course if time and conditions permit. To race you *must* be a member of the A.S.C.C in good standing (that means dues of \$30 paid for this year), hold a current competition license (that means a fee of \$25 for this year), and pay the race entry fee for this event which is \$125. All fees are due in full before you grid up. In addition, all pits must have a fire extinguisher (at least 10 lbs.), separate from the unit in the car, at their pits at all race and practice times. Only after all conditions are met will a gridding sticker be issued. P.S. Additional drivers must have a separate tech sheet for suit/helmet/dues.

Rent 'R Race Cars

ITC VW Rabbit & ITC Ford Fiesta
