## Rondy Update

I met with Tara Bolsinger of Greater Anchorage, Inc. a couple weeks ago. We discussed a number of items from bringing up outside racers and cars to pit arrangements. The meeting was encouraging and informational. Tara and I will have continued contact on a weekly basis up until race time and she has offered to attend our meeting on the 10th of October to field questions. She hopes to bring to the meeting forms for sponsors information, entry forms and a schedule of fees. GAI hopes to have all entries made and fees paid by mid-December. Those who plan on racing should plan to attend.

P.S. Persons interested in renting a car for the race give me a call, we have some interesting options in the works including training and support by professionals.

## 1995 - 1996 ASCC WINTER RACING SCHEDULE

The **ASCC Winter Racing Series** will be run from the following schedule. The series will provide for cash and/or product pay-outs for Class Champions. Championships will be based on total points accumulation and will require participation in 50% of races held. All races are schedule to be held on the track provided by the Klondike Inn on Big Lake. Some races will be held concurrent with motorcycle races and a separate area for pit facilities is being arranged. We are anticipating live local radio and TV coverage for some of the races (so talk to your sponsors). Anyone interested in a "Rubber to Ice" class should contact Bryan Doughty at 349-1122.

## **From The Back of the Pack**

### **Membership is Up!**

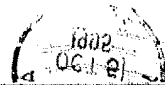

It is very encouraging to see the membership of the Alaska Sports Car Club grow to 60 paid up members. We started the year with 11 members at the Annual meeting, and through the combined efforts of lots of folks, membership has grown. Now is not the time to let up however, if we are to have a voice in local racing activities we must continue to grow so that we will represent a reasonable number of participants. I was told last spring that "The Alaska Sports Car Club did not represent enough people to be considered a representative group in motor sports in Anchorage." Each of you as club members need to make membership in ASCC an important issue.
